## 3<sup>rd</sup> Print Pack Arabia 2017

# Ahead of the pack

## Why you need to be there

In the region, both small and big players are constantly looking to innovate and keep up with the changing demands and requirements of consumers, as well as to stand out in an increasingly competitive environment. Besides, recent developments in technology offer an avenue for regional players to adopt new technology, be more creative and cost-effective than ever before.

Being a premier show with large international presence, the Print Pack Arabia helps you see up close the latest technology, new solutions and innovations from across the world.

Come December second week, global manufacturers and distributors of printing & packaging technology, materials and machinery will be making a beeline to Sharjah, courtesy the 3<sup>rd</sup> Print Pack Arabia 2017.

From December 11 to 14, 2017, Expo Centre Sharjah will turn into the largest and most attended gathering point for the leading names of global packaging industry.

The 3<sup>rd</sup> Print Pack Arabia 2017 thus becomes the best sourcing point, the most sought-after networking event, and a dependable knowledge-sharing platform for the regional industry.

## IPAMA

Co-organiser & growth partner

The Indian Printing, Packaging and Allied Machinery Manufacturers' Association (IPAMA), the launch partner of Print Pack Arabia, will continue to provide its expertise and experience for the third consecutive time.

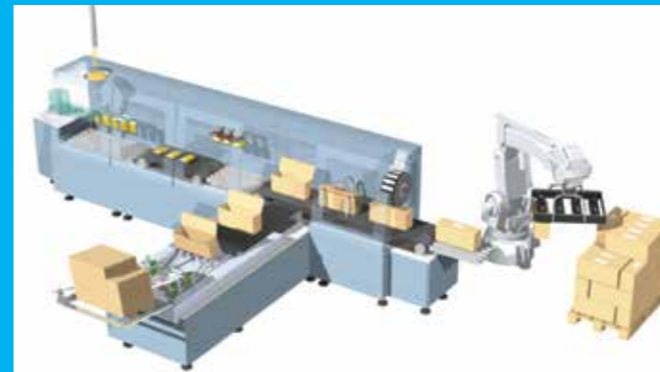

Being the apex body of printing, packaging and allied machinery manufacturers of India and organiser of the famed Print Pack India trade show, IPAMA will bring tremendous value to the event, as well as boost synergy with the Indian business community in the UAE and the rest of the region.

The tie-up with IPAMA facilitated the participation of a large contingent of Indian makers of machinery, equipment and allied products in the show.

## Special focus Packaging solutions

The special focus area will be a one-stop shop for your growing needs of intelligent, personalized and high-end packaging solutions for food, pharmaceutical and healthcare products.

Here you can expect to find all sorts of packaging solutions, including folding cartons, films, foils, bags, cases, inserts, labels, and rigid packaging across a variety of substrates and finishes.

## Multi-industry trade events

Aiming to take advantage of the regional governments, focus on sectors such as plastics, printing and packaging, Print Pack Arabia will be held concurrently with 4<sup>th</sup> Plastivision Arabia and 4<sup>th</sup> Arabia Mold, thus making it a key multi-industry trade event.

And, since they cater to correlated segments, the event becomes the most comprehensive platform of its kind in the region, and added value for your time and money.

## Concurrent Events

# PLASTIVISION Arabia 2017 & arabia mold

The 4<sup>th</sup> Plastivision Arabia 2017 will be your gateway to one of the largest displays of plastic machineries and materials from around the world, with special focus on raw materials and chemical supply. The show will be held in association with the All India Plastics Manufacturers' Association.

The 4<sup>th</sup> Arabia Mold 2017, will display machinery and equipment for moldmaking, tooling, design and application development.
